**SUBJECT:**

Letter of Commendation for [REDACTED]

**MESSAGE:**

I would like to recognize & commend the actions of Paramedics [REDACTED]  
[REDACTED], the [REDACTED] of Edmonton Fire Rescue  
Services and Edmonton Police Services Members that responded to a pediatric cardiac arrest in  
the early morning of [REDACTED].

This was an exceptionally challenging event from both a patient care and emotional perspective,  
despite extreme adversity, every single member involved in the resuscitation efforts of this  
pediatric patient gave their all, everyone brought impressive compassionate care and skill to this  
patient.

Though the outcome for this patient was not what was desired, I hope that everyone involved  
can take solace in the fact that absolutely everything possible was done by all for this patient to  
work towards a more preferred outcome. Everyone had an impactful role and gave this patient  
the best chance possible.

Thank you all for your professionalism, skill, compassion, and best effort put forward for caring  
for this patient.

Sincerely,

[REDACTED]

**MESSAGE:** Recently Officer [REDACTED] con stable reg [REDACTED] was extremely professional/  
helpful and helped to track down  
an expensive iPad that was stolen from my friend's vehicle. Went out of his way to assist over a

**SUBJECT:** [REDACTED]

**MESSAGE:** Hi there -

I saw online that you can send in compliments to EPS so I just wanted to reach out and

compliment Constable [REDACTED]. She was so incredibly helpful with a really unfortunate incident that happened to me. She was assertive and quick, and I really appreciated having her assist me in getting my money back for "fake" airpods.

I hope this compliment reaches her as I am truly so happy this was resolved, and she was able to help!

Thanks again!

**SUBJECT:** [REDACTED]

**MESSAGE:** Hello,  
Hello,

Our [REDACTED] would like to share an experience we had with two of your amazing officers last week. Constables [REDACTED] and [REDACTED] attended a call to our school to assist with a violent student our staff were restraining. [REDACTED]

[REDACTED] Both offices were absolutely incredible in dealing with both our students and staff. They displayed amazing empathy and professionalism and we all commented afterwards how lucky we were to have these officers working with us.

Later that same day they returned to attend to a second call involving dangerous narcotics. This was a very scary and intense situation that could have resulted in catastrophic results. Again, both officers were incredible to work with, they put the safety and wellbeing of our students and staff above all else and worked with us to hold the offending students accountable [REDACTED] and trying to educate everyone involved.

We are truly blessed to have such outstanding police officers in our city. Please pass on our thanks and well wishes to Constables [REDACTED] and [REDACTED].

**SUBJECT:** Audio Compliment

**MESSAGE:** I wanted to thank [Redacted], I don't know her last name, for saving my daughter's life from an overdose, otherwise I would be putting her in her grave. She performed resuscitation and got her to the hospital. I believe she went above and beyond and deserves a lot of credit. I have known [Redacted] for a couple of years from dealing with my daughter from time to time.

thank you and have a good holiday.
