

Action Registry – Public Session

Motion Date	Resolution	Task Assigned To	Scheduled Completion	Status/Comments
June 16/24	That the Service report to the Commission detailed information on EPS’s policy regarding name tags and if regimental numbers are an appropriate alternative to nametags. Also, the guidelines for displaying a name tag, reg. # when wearing a chest guard. Additionally, information on the policy and guidelines with respect to managing protests and use of force.	2401 - EPS	Concluded	<p>July 18, 2024 Public Meeting – excerpt from minutes</p> <p>5.3.1.1 Commissioner Chaudhry A. Name tag policy</p> <p>EPS provided a briefing note to responds to Commissioner Chaudhry’s query on their name tag policy.</p> <p>This satisfied the request and can be concluded.</p> <p>5.3.1.2 Commissioner Chaudhry B. Protests and the use of force</p> <p>EPS provided a briefing note to responds to Commissioner Chaudhry’s query on protests and use of force.</p>

				<p>Inspector Hrycun provided a verbal response to the Commissioners questions and concerns. Some of the concerns were around equipment that is not personally issued and how members can be identified. EPS has implemented a Velcro solution providing members their identification number that can be attached to the equipment.</p> <p>This satisfied the request and can be concluded.</p>
June 16/24	<p>EPS' Incident Command Committee (ICC) provides governance over policy, procedure & operational deployment to major incidents. Inquiry: What is the threshold that constitutes ICC overseeing a major incident? Is there policy? What ranks are involved in ICC & what training they receive? What briefing occurs with the Incident Commanders? How is new information for an incident relayed to members deployed?</p>	<p>2402 - NOTE: Inquiry was withdrawn by sponsoring Commissioner Amiri at this meeting.</p>	<p>Concluded - withdrawn</p>	<p>No action required.</p>

July 9, 2024	<p>Navigation Center functionality and impact.</p> <ol style="list-style-type: none">1. Can all EPS members refer to the Nav Centre now? If not, when will this be possible?2. Are any EPS members seconded here?3. How has the Nav Centre impacted calls for service and how has it impacted specialized areas such as HSOC, HELP, TRACS in terms of workload and access to services? Are they still interacting with the same folks day in day out or has this lessened as a result of the Nav Centre?4. How does EPS track interactions with citizens who are connected to the Navigation Center?	2403	Open	September 19, 2024 – EPC COW Public (Motion required to go forward with request)
