POLICE AND COMMUNITY ENGAGEMENT

Presented for Information
Edmonton Police Commission

January 17, 2019

Presented by: Michelle Fillion

PACE Pilot Program

- Culturally-diverse communities targeted for engagement
- Requests for police attendance and participation at various community events promoted and filled
- Positive relationships, trust, and police legitimacy developed

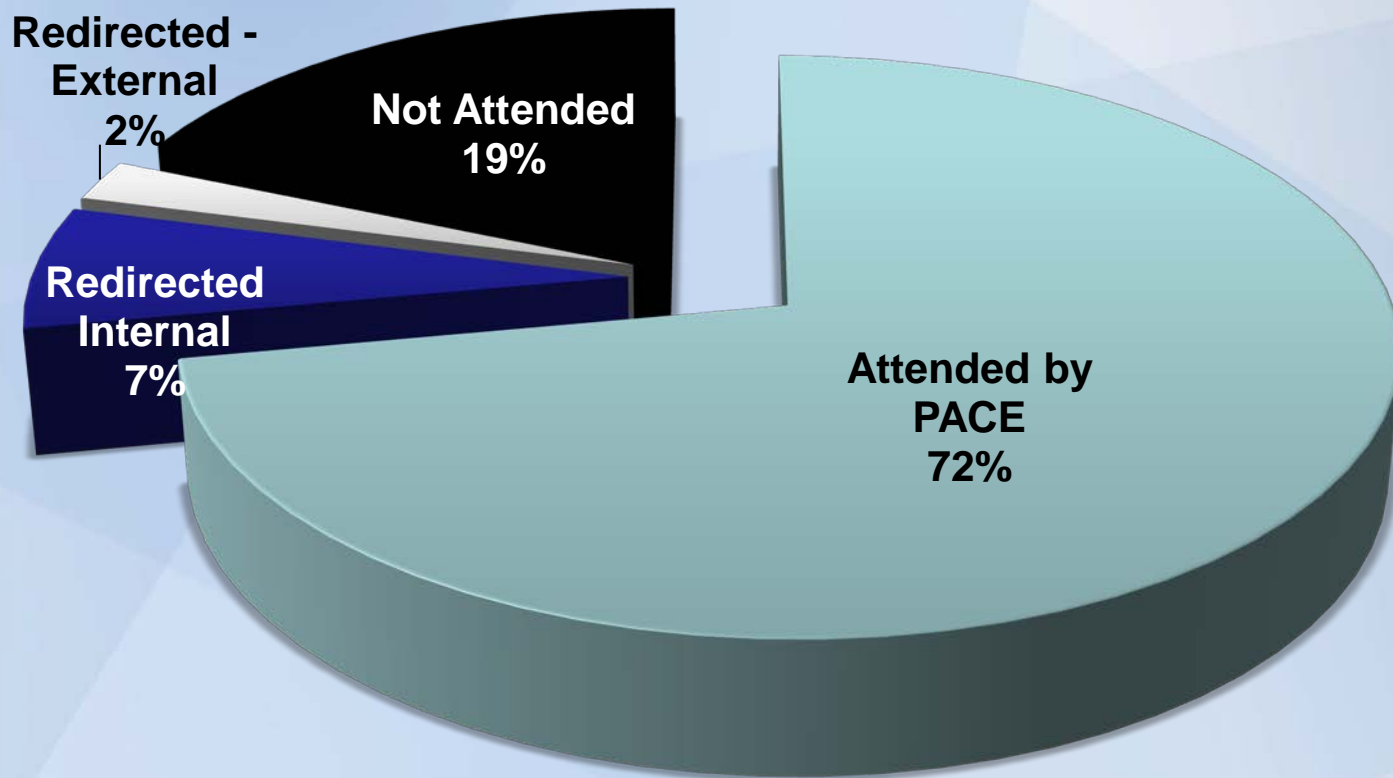

PACE Team Members

- 13 EPS members recruited, trained and deployed based on requests and availability of the officer
- Operated on a call-out bases
- No interference with regular duties
- Members were provided with straight time reimbursement

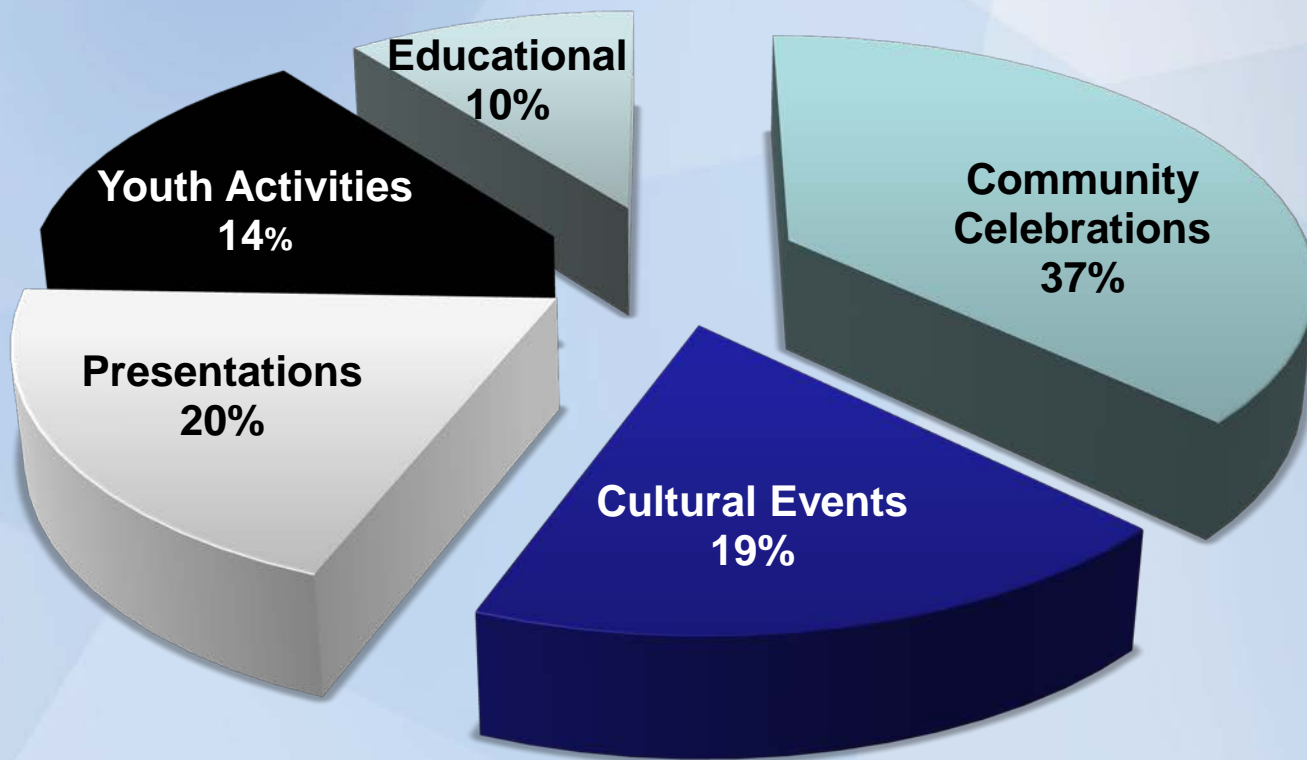

Event Requests

Event Types

Engagements

Results & Cost

- More culturally aware membership
- Unique engagement opportunities for members beyond standard working day
- Positive feedback from community and police members
- 219.25 hours worked for a total cost of approximately \$10,869

Recommendations

- Resource the program (coordinator & program budget)
- Enhance the role of the coordinator
- Focus on engaging culturally-diverse communities
- Support training opportunities
- Promote the PACE program internally and externally
