1.1 INTENT OF POLICY MANUAL

The policy manual of the Edmonton Police Commission (Commission) outlines the authority in carrying out their duties in accordance with legislation, regulations, standards, written policy, and procedures.

Guidelines:

1. The Commission's policy manual compiles all policies, procedures, and guidelines into one document.
2. The Commission's policy manual shall contain, at a minimum, the policies and procedures that addresses provincial oversight standards for municipal police commissions and their prescribed sections.
3. Notice of amendments to any portion of the document are provided as they occur for the Commission to approve.
4. All Commission policies will be made public through the Commission's website.
5. Enquiries concerning the contents of the manual or its use and/or interpretation may be referred to the Commission's Executive Director.
